Control4 Training Center

Unit 3
Green Park Business Centre
Sutton-on-the-Forest
YORK
YO61 1ET

Geo: 54.05533, -1.08935

Phone: 0800 121 7702

The training course starts at 9am sharp every day, please make sure you are onsite with plenty of time to get sorted and settled before the course starts. The facility will be open from 8:30am onwards. Unless we are running late, the course will finish at 5pm every day.

If travelling by train please leave plenty of time on the Thursday to get to the station. The course does not finish until 5pm at the earliest, and a cab journey to the station can take up to 1 hour.

Food allergies and requests

To accommodate any special needs for dietary requirements, please email tfallows@control4.com prior to two weeks before your schedule session. We cannot guarantee the ability to meet your requests after that time.

Accommodations and Transportation

You or your company is responsible for making all travel arrangements as well as expenses related to your travel. Below are suggestions to assist you with this process; however you are welcome to explore options beyond our suggestions and recommendations. If you have any questions or would like assistance, feel free to contact our Training Coordinator, Tim Fallows (tfallows@control4.com).

You are responsible for making your hotel reservations. There are many hotels in York city centre and several near the Control4 Training Centre. While you are welcome to stay anywhere you wish, Control4 has preferred properties in the area which are willing to offer Control4 trainees discounted room rates.
