

# Control4® Keypad and Dimmer Showroom Display

## C4-LDW-02

An elegant and high-impact wall display beautifully showcases Control4 keypads and dimmers. This eye-catching demo fixture features a variety of Control4® faceplate and button colors, button configurations and Control4's unique button engraving with ultra-sleek RGB button backlighting. Setup is simple – just wall mount or table mount the fixture and plug it in. Keypad and dimmer backlighting slowly cycles between multiple color options. Display this demo fixture in your showroom to boost your Control4 lighting sales!

Display includes 6 Configurable Keypads, 3 Adaptive Phase Dimmers, and an HC-250 Controller.

- Elegant way to demonstrate Control4 wireless lighting.
- Plug and play. Demo fixture comes already pre-programmed; just plug it in.
- Pre-configured project file included.
- Elegant, eye-catching design; LED backlight rotates to demonstrate colors.
- Can be wall mounted, or stand included for table top display.
- All current colors represented.
- Various keycap sizes and configurations.
- Variety of engraved keycaps.
