

#1 RESIDENTIAL LOCK BRAND

Kwikset SmartCode™ locks with Home Connect™ technology are the industry's leading wireless access control lock solution for the smart home and #1 most requested security device by Control4 customers. Expanding your Control4 system with a Kwikset Home Connect lock will allow the lock to talk wirelessly to other Control4 devices in the home providing increased security and a world of wireless possibilities.

Innovative Security

- Full 128-Bit encryption security
- Motorized deadbolt—enables true remote locking & unlocking
- Featuring SmartKey™ Re-key Technology with BumpGuard™ Protection; re-key the lock yourself in seconds with 3 easy steps

Easy Integration

- Control4 enabled
- Replaces existing deadbolt with just a screwdriver
- 4 AA Batteries (no hard wiring)—batteries last for approximately 1 year

Convenient Access

- Lock/unlock doors via the Control4 app
- Receive notifications and view status of your lock's activity
- Create customized scenes within the home driven by the door lock
- 30 unique user code capability
