

time you try to access it.

- If you lose or sell your smartphone, you can log into your **MyControl4** website at customer.control4.com and disable the old device in the My Devices section.

4Sight with Anywhere Access

If you have a 4Sight subscription (sold separately) and a MyHome app, you can take advantage of 4Sight with Anywhere Access, a feature of 4Sight.

4Sight is a Control4 service that provides remote access to your system so you can connect to and manage your system from virtually anywhere in the world. 4Sight also provides just-in-time alerts and web-browser access from your PC or Mac computer.

Notes:

- (1) To use Anywhere Access for the web on PCs and Macs, log in at customer.control4.com (OS 2.5.0 or later) and click **My House**.
- (2) Performance is dependent on your network connection speed.

Settings

- **Security/Password**—Forces a pincode to be entered to access the app.
- **Dedicated Mode (On/Off)**—Keeps apps up and running on the screen.
- **Screen Saver**—When in Dedicated mode, the screen saver comes up. Select to have the screen saver come on after x minutes.
- **Preview**—Shows what the screen saver will look like.
- **Room Off Confirmation (On/Off)**—Tap **On** to display a 'Room Off' confirmation message whenever you tap **Room Off**.
- **Cellular Network Warning**—Shows a warning when connected to a 3G/4G network (4Sight required).
- **Enable Logging**—Allows the app to collect information helpful for your dealer to troubleshoot the app.
- **Email log to support**—Lets your dealer send app logs to Control4 Technical Support to troubleshoot issues you are having.
- **View log**—See the information collected for troubleshooting with your dealer.

- **Advanced**—Some mobile carriers frequently change IP addresses which can cause issues with Anywhere Access (4Sight required). If this is the case, tap **ON**.
- **Default Room**—A system setting where the app opens when returning to the app. Can be the last room (default) or a specific room in the system.
- **Advanced Security**—A dealer has changed the Control4 system password.

About

This screen shows the MyHome version, a link to provide feedback, Terms of Use, Privacy Policy, End User License Agreement, and Open Source information.

Support

For questions about setting up your devices to work with a Control4 system, talk to your Control4 dealer.

More Information

For more information about the Control4 system, see the *Control4 Quick Start Guide* or *Control4 System User Guide* on the Control4 website at <http://www.control4.com/owners/resources>.
