

WELCOME HOME

Imagine if your home managed itself. Your lights knew when to turn on and off. Your doors lock as you leave. Your heater warms the house as you head home from work. From the time you wake up until the time you go to sleep, you're taken care of at every turn. And from your smartphone, you can command virtually any system and device, from anywhere, at any time. You've imagined Control4 premium home automation solutions.

WHY CONTROL4?

As a world leader in home automation, Control4 is dedicated to enhancing your life in meaningful ways with completely personalized home automation solutions that evolve with you over time, and adapt to your changing needs.

- Control4 works with thousands of world-class brands to ensure you can control all the devices and systems you already know, love, and use today.
- Control4 award-winning products are as smart as they are simple to use.
