IN-ROOM SUBWOOFER

GOLD SUB

IN-ROOM SUBWOOFER

Triad's In-Room Gold Sub features a 15" long-throw driver and 700 watts of power, delivering dynamic output and resounding impact. Hear and feel deep, vibrant bass with control and accuracy—experiencing compelling low frequencies that enhance and enrich movie soundtracks and music alike. This speaker delivers unmatched performance with studio-grade drivers; sealed, internally braced enclosures; and a high-power amplifier. Long-throw woofers produce enhanced output and substantial impact with ultra-low distortion. Your sound stage will come to life as guttural drums sound, helicopter blades spin, and explosions erupt in your own home theater.

Triad's subwoofers combine superior quality and efficiency, completing your soundscape with precision and power in any application or environment. In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's sealed-box enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent.

FEATURES

- Fully engineered, premium MDF enclosure
- AcoustiPerf metal grill
- Compact design; only 14 1/4 inches deep
- Acoustic suspension; powered subwoofer
- Amplifier: Rack mountable (1 space) 700W DSP RackAmp
