

PLATINUM SUB

IN-ROOM SUBWOOFER

PLATINUM SUB IN-ROOM SUBWOOFER

Triad's In-Room Platinum Sub dominates the subwoofer domain, with an 18" driver designed to deliver professional cinema sound. Hear and feel deep, vibrant bass with control and accuracy—experiencing the compelling low frequencies that enhance and enrich movie soundtracks and music alike. This speaker delivers unmatched performance with studio-grade drivers; sealed, internally braced enclosures; and a high-power amplifier. Long-throw woofers produce enhanced output and substantial impact with ultra-low distortion. Triad's subwoofers combine superior quality and efficiency, completing your soundscape with precision and power.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's sealed-box enclosures deliver intricate acoustics and effortless playback, achieving unobtrusive elegance while retaining the integrity of sound.

Experience the cinematic atmosphere delivered by deep, robust bass as Triad's Platinum Sub renders low frequencies,—inaudible in other systems—with deep visceral impact.

FEATURES

- Designed for large theaters
- Compact for its woofer size; only 14 1/4" deep
- Fully engineered, premium MDF enclosure
- High-output design; AcoustiPerf metal grill
- Acoustic suspension; powered subwoofer
