

MINI SATELLITE

IN-ROOM, IN-WALL

MINI SATELLITE

IN-ROOM, IN-WALL

Triad's compact, multi-purpose Mini Sat delivers quality acoustics to intimate theater settings, two-channel music systems, and multiple household spaces. A carefully engineered two-way design blends seamlessly into its surroundings while delivering engaging, realistic audio. When joined with a subwoofer, Triad Mini Sats deliver dynamic sound, rivaling larger more imposing speakers. If your space requires discrete flexibility without compromising quality, Triad Mini Sats deliver the perfect solution.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's fully engineered, sealed, and internally braced MDF enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent. Use as a capable, standalone pair of speakers, or create a full-range surround sound experience by pairing with Triad LCRs and subs.

Distinguished by custom paint-matching and veneer finishes, Triad speakers achieve unobtrusive elegance while retaining the integrity of sound.

FEATURES

- Fully engineered, premium MDF enclosure
- Acoustic suspension
- Compact, two-way design
- Custom paint matching available

IN-ROOM

- Veneer or custom paint finishes available
- Cloth grill

IN-WALL

- Flat design
- AcustiPerf metal grill
