

PREMIUM SERIES

OPEN MINI, BRONZE, AND SILVER SPEAKERS

PREMIUM SERIES

OPEN MINI, BRONZE, AND SILVER SPEAKERS

Triad's flagship in-ceiling round speakers are the true music enthusiast's choice, delivering exceptional performance for the most important rooms of the home. These speakers employ carbon fiber for woofer construction—lightweight yet ultra-strong—and a silk dome tweeter that provides rich, detailed high frequencies. The frameless, ultra-thin grills are elegant, blend into any interior design, and can be custom paint matched at the Triad factory for the perfect finish. These speakers can retrofit into an existing ceiling, and new construction brackets are also available.

SILVER DT ROUNDS

Triad's Silver DT speaker incorporates dual tweeters into a single speaker enclosure, making it the perfect choice for delivering stereo sound into smaller rooms. The Silver DT also has a switchable tweeter mode, making it either a dipole or a bipole speaker, suitable for a variety of surround applications in smaller theater venues.

MATERIALS

- Silk dome tweeter
- Cast-basket carbon-fiber woofer
- High-quality crossover

FEATURES

- Two-way, open-back design
- Front-mounted tweeter adjustment switch (+/- 3dB)
- Frameless round grill included
- Frameless square grill available separately
- Custom paint finishes for round or square grills available (standard grill finish is white)

SILVER DT ROUNDS

- Dual aimable tweeters
