SILVER LCR

IN-ROOM, IN-WALL, IN-CEILING, CENTER

The Silver LCR is at the center of Triad's home theater speaker range. It beautifully covers applications from simple multipurpose rooms with high powered AVRs to premium dedicated theaters driven by high-current separates.

Equipped with dual 6 1/2" drivers, it produces a powerful and immersive soundscape in both traditional and Atmos sound systems. The five Silver LCR models offer multiple placement possibilities to complement any environment without compromising the polished, detailed sound.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's fully engineered, sealed, and internally braced MDF enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent. Complete the full surround sound experience by pairing with Triad Surrounds, Satellites, and Subs.

Experience movies like never before with Triad's state-of-the-art Silver LCR, delivering life-like detail with authority to your home cinema.

FEATURES

- Fully engineered, premium MDF enclosure
- Acoustic suspension, compact design
- Acoustiperf metal grill

IN-ROOM

- Real wood veneer or custom finishes

IN-WALL

- Available in cabinet depths of 4" and 6"
