SILVER LCR

CENTER, IN-ROOM, IN-WALL

Triad's Silver LCR works with high-power AVRs to deliver authentic audio to dedicated home theaters and media rooms. These speakers are equipped with 6″ drivers for exceptional performance in both traditional and Atmos sound systems, producing an immersive soundscape. The four Silver LCR models offer multiple placement possibilities to complement any environment without compromising polished, detailed sound.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's fully engineered, sealed, and internally braced MDF enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent. Complete the full surround sound experience by pairing with Triad Surrounds, Satellites, and Subs.

Distinguished by its custom paint-matching and veneer finishes, Triad speakers achieve unobtrusive elegance while retaining the integrity of sound. Experience movies like never before with Triad's state-of-the-art Silver LCR, delivering lifelike detail with authority to your home cinema.

FEATURES

- Fully engineered, premium MDF enclosure
- Acoustic suspension, compact design
- Acoustiperf metal grill
- Custom finishes available (standard finish is black paint)

CENTER

- Horizontal format
- Real wood veneer or custom finishes
